TECHNOLOGY DEVELOPMENT: THE CHALLENGE

Although technology is undoubtedly making organizations function better, the ease of access to shared information presents a wide range of legal implications for businesses.

- Data Security
- Big Data
- Cloud Computing
- Open-Source Software
- Mobile Payments
- Social Media Related Liabilities
- Wearable Computing
- The Internet of Things
- Virtual Currencies
- Remote Automation and Control

TECHNOLOGY DEVELOPMENT PRACTICE — Org-ology provides consultancy during the integration of information technology systems within organizations. We provide assistance managing the impacts changing business practices and management techniques as a result of new technology. We can also aid in the development and deployment of end-user training and support systems.

ORG-OLGY TECHNOLOGY SERVICES PRACTICE — Org-ology Technology Services practice specializes in providing broad-based business consulting services designed to help organizations in their efforts to integrate technology solutions with their business strategy.

Technology Services help organizations enhance their performance, productivity, and profitability in specific processes and functional areas. Technology Services goes to market by sectors, relying on deep industry experience, knowledge and skills, and providing innovative and comprehensive services and solutions designed to help clients in their efforts to address their most complex issues. Our Technology Services practitioners have core capabilities in the following area:

TECHNOLOGY STRATEGY – Technology helps organizations transform themselves and grow their business. Org-ology helps clients that are embarking on major growth or change that is heavily technology-dependent to identify the optimal future state of technology, aligned with business needs, and then jointly develop an implementation roadmap and process blueprint.

TECHNOLOGY PERFORMANCE IMPROVEMENT – Underperforming technology negatively affects business performance. Org-ology works with organizations seeking to address their technology efficiency problems to not only reduce costs, but to improve and develop capabilities that enable innovation and agility.

Our staff maintain certifications on the following:

WHY US

Org-ology's organization development programs offer what others don't:

- We've worked across consumer products, finance, government, nonprofit and more: we know you're unique and don't offer cookie-cutter solutions.
- We have global, multi-national and multi-lingual experience. We understand global work and cultural uniqueness
- We know that any solution needs to be pragmatic

Org-ology, through our long-standing relationship with organizations like yours and our substantial public and private sector practice, is uniquely qualified to assist your organization in achieving its goals. Our team of professionals brings well-established, positive relationships, deep technical expertise, and unparalleled public and private sector experience. We are the right choice and distinguish ourselves from the competition in the following ways:

INNOVATIVE SOLUTIONS — With over 20 years' experience with similar organizations, the most important client is you. We use our experience to find the best solutions for your organization, with its unique challenges. Using creativity, pragmatism and data we put our deep experience to work for your organization.

BUILT TO SUCCEED AND SUSTAIN — We believe in delivering lasting success. Value, cost-savings and ROI all come from successfully implementing the right project in the right way.

True value and cost savings comes from a project that can sustain and continue to succeed after its been launched. Our solutions demonstrate that value.

DEMONSTRATED TRACK RECORD — Org-ology has deep and broad experience in the public and private sector. Key to our retention has been a record of strong client service and consultative services. We have provided innovative and strategic solutions that have resulted in significant savings for our clients and their employees and participants. To illustrate this point our leadership has served the State and Federal agencies for more than 20 years. Our public and private sector client list illustrates our knowledge and understanding of industry-specific processes, challenges, and solutions.

QUALITY PRODUCT DEVELOPMENT AND DELIVERY — You will receive very high quality work from committed professionals while consistently meeting your deadlines.

You will always receive a consistently high level of service throughout the contract period from an organization that is committed to your success. This commitment to service excellence has been a key driver of our strong client growth and our continuous relationships with our clients. This growth has allowed us to invest in research, development, education and training, and to recruit some of the best and brightest professionals in the industry to meet your needs.

VAST RESOURCES — Org-ology and our partner firms are comprised of several complementary practices that include Organization Design/Re-organization, Employee and Organization Performance Management, Change Management Consulting, Human Capital Development, Employee Training, leadership coaching and Engagement, Management Consulting. Over the course of our relationship, issues may arise which are outside the confines of the coaching support services. We are able to assist you in addressing these topics through a broad network of local and national client service professionals.

HIGH VALUE — Org-ology is committed to offering you value in consulting services. We look forward to bringing innovative solutions as you seek to provide cost-effective and quality services to your constituents.

If you have any questions regarding this proposal, please contact Dr. Brent Oberholtzer at (301) 789-9795 brentoberholtzer@org-ology.com or Heidi Feickert at (240) 620-3655 heidifeickert@org-ology.com.

Sincerely,
Org-ology
